The director may limit the amount borrowed to an amount less than the amount approved by the city council. Notwithstanding chapter 44A of the General Laws, bonds or notes issued for the purposes of this act may be issued, with the approval of the director, for a term of not more than 10 years and shall be backed by the full faith and credit of the city and the bonds and notes shall be eligible to be issued as qualified bonds or notes. Indebtedness incurred under this act shall not be included in determining the statutory limit of indebtedness of the city under section 10 of chapter 44 of the General Laws but, except as provided in this act, shall otherwise be subject to said chapter 44. Amounts raised to pay indebtedness incurred under this section shall be subject to section 21C of chapter 59 of the General Laws.

(c) All proceeds of any loan authorized by this act shall be deposited in the general fund of the city of Lynn.

(d) The director may establish rules and procedures as the director considers appropriate relating to the accounting standards applicable to the city of Lynn for the purposes of this act and otherwise.

(d) In each year during which bonds, notes or an amortization amount authorized under this act remain outstanding, the amount required to be raised for such supplemental reserve fund may be reduced by the amount, if any, remaining in the supplemental reserve fund established for the preceding year after all expenditures have been made from that fund as authorized in this act, and this remaining amount shall be retained in such supplemental reserve fund provided for the then current fiscal year.
