Re: UCC Filings
Priority: URGENT

A new house bill H.2111 was signed into law on June 29, 2001. The bill states that all Local offices (City Clerk's Offices) will no longer be accepting UCC filings after June 30, 2001. All UCC filings will be filed with the Secretary of States Office at One Ashburton Place, Boston, MA 02108.

However, we will be **maintaining all former Article 9 records until July 1, 2008.** All UCC filings recorded after June 30, 2001 will be sent back along with the payment we received for filings.

Any questions you may contact this office at 781-586-6726.
